**The Snowed In Comedy Tour** has turned in to a Canadian success story, celebrating its eleventh year. In a market still dominated by American acts with American TV credits, a small Canadian comedy tour has managed to succeed. Like the Tragically Hip, they have done it by touring and making more and more people laugh year after year. The tour has now performed in Australia, the United States, France, and Switzerland. The 2018 tour received numerous standing ovations and was the most successful to date. It has grown to become the biggest comedy tour in Canada, playing in 65 cities coast to coast.

Four international comedians come together to create one amazing show with each bringing a unique and hilarious take that provides something for everyone. Just for Laughs winner Dan Quinn returns as well as the Great Canadian Laugh Off winner, Paul Myrehaug. 5 time Canadian Comedian of the year nominee Pete Zedlacher is back. Erica Sigurdson from the Debaters joins us for the first time.
